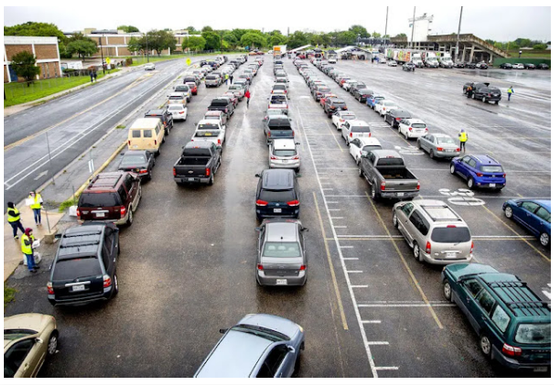
## The Great Reset



Economic Shutdown - Food Bank

**The New World Order**

**One Possibility!**

**In regards to the current economic situation, because of last year's global recession and also the recent economic slowdown a catastrophic global economic crisis has occurred.**

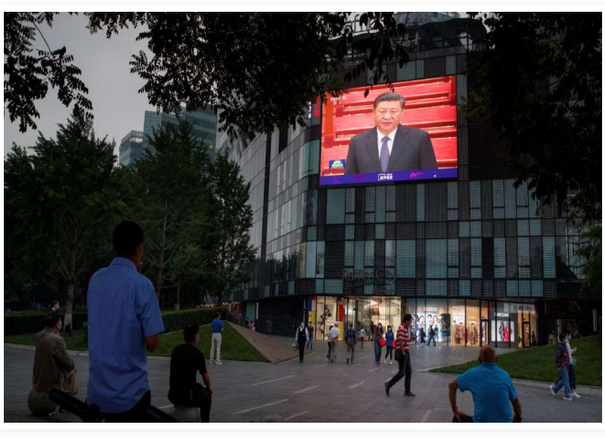
**After the stock market crashed, all of the financial markets were closed for two weeks. Many were in a state of shock!**

**Hyperinflation, already a concern in Latin America had begun to affect other economies as well. Because of these concerns regarding hyperinflation and the stock market crash there was total chaos, globally! Everyone panicked so much that there was a run on the banks so all of the banks were forced to close. Some have since reopened. The media and the press had 24/7 coverage of all of this on every tv channel.**

**Some businesses were forced by the government to temporarily close their doors during which time government employees examined business records to any companies/corporations they wanted. Also, the internet and all social media sites were shut down so they could start a new internet service with only government sanctioned streaming news programs. The reason they said was that it was a necessary evil and we had to accept it.**

One could buy a cup of coffee for a million bolivars in Venezuela 2018

**Now they're telling us on the daily news reports that some sort of global restructuring is going on behind the scenes involving all of the world's financial markets, economic blocks, and that everything will be okay. The other day we heard they would be implementing a new global cashless system any day now and when this happens we will no longer be able to use cash. Biometric and rfid systems/alternatives are being installed everywhere. Our hands, fingers and retinas were scanned and recorded for this new biometric system.**



Asian News Program Reports On The

**Our newly appointed global leader made his first appearance and he somewhat explained our economic situation. Everyone's shocked that all of this has so suddenly come to pass after the recent stock market collapse. It's**

**difficult to believe this is really happening. It's crazy. Everything that the global president says now becomes the law. NWO banners and slogans are showing up everywhere, throughout every neighborhood, street, and city. Massive tv displays are being installed throughout every region and major city. These are easily visible and are currently displaying the daily news reports.**

**We all agree martial law has become a reality. U.N. troops, the military police, and the local police have been stationed throughout every city. I never imagined anything like this could happen! Biometric and rfid identification systems are an everyday part of life. Everything's gone digital overnight. Those who have resisted this new system and are trying to live off the grid are already facing serious problems going about their daily lives.**

**Just recently there were new policies established for the masses regarding those who haven't gone in and received their biometric identification stating that it's now considered mandatory!**

**A friend of mine and his family had decided not to be included in the biometric program were on their way to live underground at one of their relatives properties. They were then stopped at one of the many local law enforcement checkpoints. Afterward he and his wife and kids have turned up missing and they haven't been seen or heard from since.**

**I really hope they haven't been sent to an internment camp!**

**Living in a global fascist state!**

## The Future Of Money: Gearing Up For Central Bank Digital Currency

**IMF speech made on February 9, 2022**

**Let me start by thanking the Atlantic Council for providing a fitting venue to discuss central banks' forays into Digital Currencies.**

**Since its founding in 1961, the Council has made important contributions to strategic, political, and economic policy debates. Those debates have served us well, helping us to test the boundaries of our thinking and be better prepared for what lies ahead.**

**So, today, we aim to test our thinking again.**
**We have moved beyond conceptual discussions of CBDCs and we are now in the phase of experimentation. Central banks are rolling up their sleeves and familiarizing themselves with the bits and bytes of digital money.**

**These are still early days for CBDCs and we don't quite know how far and how fast they will go. What we know is that central banks are building capacity to harness new technologies—to be ready for what may lie ahead.**

## The Goal Of The Illuminati Is A 'New World Order'

A Common Sight These Days In
A Shopping Center Parking lot!

The perception is that our day-in day-out world is real.

The truth is that this world is a hoax, an elaborate deception spun by an all-powerful Illuminati controlled secret society presided over by the global elite.

The Illuminati call the shots in every major upheaval that they cause.

Their sphere of activity extends over the entire globe.

The Illuminati's 'Eye In The Triangle'

Their ambition and greed for wealth and power knows no bounds.

It is also their target to depopulate the globe and maintain a much lower population compared to what we have now.

There are certain methods of subjugation and control which are indispensable to the Illuminati.

One is, of course, complete authority over all financial systems, especially borrowing and lending.

With all banks under their direct supervision.

At the highest level the World Bank decides the fate of countries.

And it is an interesting and amazing fact that both the Federal Reserve Bank and the Bank of England are controlled by these Illuminati dynasties, in spite of the names of these banks.

It has been said that both Abraham Lincoln and John F. Kennedy wanted to change this system.

When A Real Power Move Is To Be Made It Will Be Done Suddenly!

If you want to bring about a "New World Order", you must first crash the current system.

The Illuminati will never allow their global hegemony to be destroyed.

Bohemian Grove - Owl Shrine. Where
powerful men go to meet once yearly.

Their Goal Is To Collapse & Sink The Dollar

The expression of this global control has been the US dollar.

They will trigger a global fiat currency meltdown.

All fiat currencies will be attacked and will collapse.

The last currency to collapse will be the US dollar.

They will then bring in a One World Digital Currency under the purview of a World Government.

**There's going to be a somewhat prepared response for any controlled opposition, but the need for this is going to be relatively limited since there's not going to be a realistic threat to these Illuminati and their plans.**

**"We shall have world government whether or not you like it, by conquest or consent." James Warburg to The Senate Foreign Relations Committee, l950**

## THEY LIVE - The Movie

**'They Live' is a 1988 American science fiction horror film written and directed by John Carpenter. The film stars Roddy Piper, Keith David and Meg Foster. It follows a nameless drifter (called "John Nada" in the credits), who discovers the ruling class are in fact concealing their appearance and manipulating people to spend money, breed, and accept the status quo with subliminal messages in mass media. Based on Ray Nelson's short story Eight O'Clock in the Morning, the movie is one of those rare subversive stories that forces viewers to question their world and their surroundings.**

**Right from the beginning, as we see Nada walking around Los Angeles with his backpack, the movie sets a particular mood: Something is not quite right. While Nada appears to be a happy-go-lucky kind of guy, the city is not happy and it is not too kind to happy-go-lucky kind of guys. Quite the contrary, there is a sense of impending doom in the air: Poverty is rampant, helicopters fly around the city and street preachers speak of soulless beings ruling the world.**

**A preacher's description of the "masters" is applicable to the Illuminati.**

"Rowdy" Roddy Piper As John Nada

**Seeking shelter Nada enters an empty church and discovers a hidden box. In an alley, he opens the box and finds dozens of sunglasses. Taking one, he hides the box of remaining sunglasses in a garbage can.**

**Nada discovers the sunglasses have unique properties. After putting on a pair, he sees the world in black and white and discovers it is not what it seems. Media and advertising hide constant subliminal totalitarian commands to obey and conform. When viewing those of wealth and authority Nada discovers they're not human.**

**When he has his sunglasses on, Nada sees through the smoke and mirrors projected by advertisement and mass media. He only sees the core of their message and the only reason why they exist. No matter which magazine Nada flips open, he sees the same subliminal messages, which tells a lot about the true function of "celebrity" and "fashion" magazines. Despite the fact that they are all different, they all ultimately serve the same purpose: To reinforce messages from the elite to the masses.**

**We're living in two worlds, you and I.**

**There's the world we see (or are made to see) and then there's the one we sense (and occasionally catch a glimpse of), the latter of which is a far cry from the propaganda-driven reality manufactured by the government and its corporate sponsors, including the media. Indeed, what most people perceive as life in a privileged, progressive and free society — is a far cry from reality, where economic inequality is growing, real agendas and real power are buried beneath layers of Orwellian doublespeak and corporate obfuscation, and "freedom," such that it is, is meted out in small, legalistic doses by militarized police armed to the teeth.**

**All is not as it seems.**

"The invisible Money Power is working to control and enslave mankind. It financed Communism, Fascism, Marxism, Zionism, Socialism. All of these are directed to making the United States a member of a World Government ..."  —American Mercury magazine, December 1957

## The NWO Dictator

It is a fact that advocates of the New World Order will attempt to fulfill the world's messianic expectations with an antichrist. 2nd Thessalonians 2:3-4 tells us that the last days will not come until "the man of sin is revealed, the son of perdition," commonly called the Antichrist. He will sit in the Temple in Jerusalem and demand to be worshipped as God. 2nd Thessalonians 2:8 He is also called "the beast," in the Book of Revelation. This tyrannical world dictator will be empowered by Satan and be the embodiment of all that is opposed to God.

The "Son of Perdition", "Antichrist", "Beast", "Man of Sin", "NWO Dictator"

Like Hitler the antichrist will "have a mouth that will speak very great things, and his look will be more imposing than his fellows." He will think to change times and laws and is referred to as "The King of fierce countenance" who shall "have an understanding of dark sentences." Daniel 7:20, 25; 8:23 Because of this man all, both small and great, rich and poor, free and slave, will be forced to receive a mark on their right hand or on their foreheads, so that no one may buy or sell except one who has the mark, or the name of the beast, or the number of his name. Rev 13:16-17

This Political Cartoon Has Biden With The Same Physical Defects As The Coming Antichrist! They Are Disclosing To Us Info About The Antichrist!!!

This man will come on the scene and will offer to lead the world into total peace. He will be recognized throughout the world as a man of peace. He will promise to solve the Middle East conflict. He will bring harmony in the ecumenical-ecclesiastical church. He will offer economic solutions to the world's problems. He will arise as a world leader of peace and prosperity and reign exactly three and a half years as the world's greatest dictator.

Beware of when this man appears on the world scene. His leadership will take the world into a Great Tribulation of terror, wars, suffering and death.

Woe to the idol shepherd that leaveth the flock!  The sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened.  Zechariah 11:17

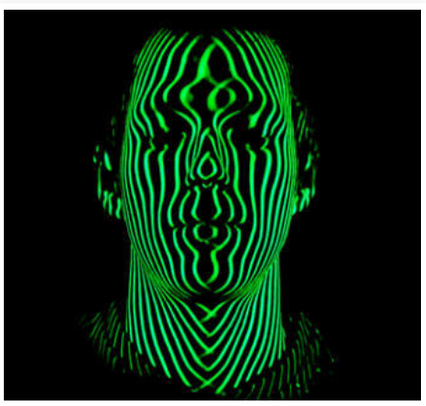
The End Of The World As We know It
PREPARE FOR THE END OF THIS WORLD
Floods, tornadoes, dust storms, earthquakes, and more. It's the stuff of disaster movies; fire fighters travelling down streets in inflatable boats; the facade of buildings are being blown out, exposing the interior of apartments and homes; power station explosions lighting up the sky; skyscrapers are suddenly collapsing; and floods are now commonplace causing homes and businesses to be uninhabitable.
And on top of all of this, were now in a new Great Depression!
Tent Cities have become commonplace sites.

"He [President Nixon] spoke of the talks as a beginning, saying nothing more about the prospects for future contacts and merely reiterating the belief he brought to China that both nations share an interest in peace and building 'A New World Order.'" - Excerpt from an article in The New York Times - 1972

## Body Check



(Dynamic structured light acquisition techniques use a set of lines projected onto an object of interest to generate a 3D surface. Fingerprints or facial scans can be acquired using this method without the need for contact, making acquisition possible from a distance)

In recent years a number of countries have initiated biometric schemes aimed at protecting their borders. Although they are typically launched amid claims that they will accelerate the immigration process, this isn't always their central purpose, and frequently the new systems culminate in long queues.

Back in 2002 Australia unveiled its plans for SmartGate, a system that uses biometric facial recognition technology linked to the passenger's e-passport.

Recent travellers in the US may have been taken by surprise by a new biometric security system in place at key airports, which requires ten fingerprints for identification. Clear Cards, which carry biometric information, have been used by Americans since 2005.

CLEAR is a private program that uses biometrics — your identity is verified through a scan of your iris or fingerprints, depending on which image is most distinctive. Clear's biometric identity verifier is now in 24 airports (34 soon) and eight sports stadiums.

Clear ID Pass document is available to US citizens and permanent residents. In addition, to the documents required to apply for the ID, applicants were required to submit digital images of their

fingerprints and iris scans, as well as a digital photo before they are issued the document. Clear then "creates and stores a template, or mathematical representation, of the fingerprints and iris images, to create a unique biometric ID of the Member."

All of the data submitted by the applicant is sent to TSA, which creates an applicant's "security threat assessment" based upon a background check that's included its controversial "no-fly lists." After the verification process, each approved applicant is issued a “card” that allows them to access designated airport security fast lanes for processing through security at airports nationwide. The card also gives access to discount parking and speedy entry into major sports venues.

Dubai has established e-gates where registered passengers swipe an ID card and pass through a fingerprint scan, and the Netherlands has introduced Privium, a paid-for iris scanning service that offers a range of benefits, including lounge access and fast-track check-in.

e-Borders

Now e-Borders (electronic borders), a programme run by the UK Home Office's UK Border Agency at a likely total cost of £1.2bn, aims to tighten security at the country's borders. e-Borders is a joint programme run in partnership with the police and intelligence agencies. It requires commercial carriers and owners, or operators, of all vessels to submit detailed passenger, service and crew data in advance of their departure to and from the UK.

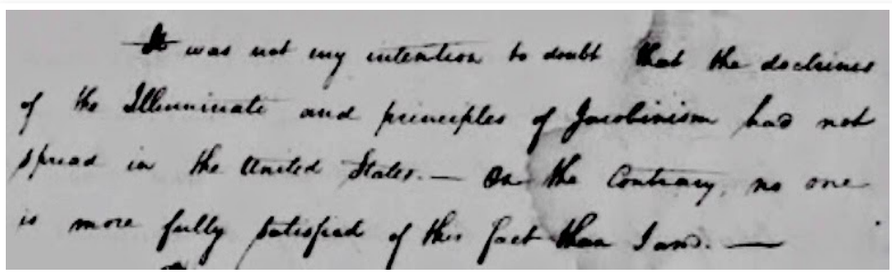
## The Illuminati Arrive In America - 1785



It was not my intention to doubt that the doctrines of the Illuminati and principles of Jacobinism had not spread in the United States. — On the Contrary, no one is more fully satisfied of this fact than I am. —

George Washington concerning the Illuminati

(George Washington (1732-1799) Founding Father, 1st US President, 'Father of the Country'. He spoke of the Illuminati in a letter written to the Reverend G. W. Snyder (24 October 1798). He said: "It is not my intention to doubt that the doctrines of the Illuminati and the principles of Jacobinism had not spread to the United States. On the contrary, no one is more fully satisfied of this fact than I am".)

Washington issued several warnings shortly before his death, about the Illuminati. Washington knew that the Illuminati, based in Europe, had arrived on American shores. In 1789; John Robison, a Scottish scientist warned all Masonic leaders in America that the Illuminati had infiltrated into their lodges and on July 19, 1789; David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how Illuminism was having an influence on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings.

In 1785, the Columbia Lodge of the Illuminati was established in New York City. Among its members were Governor DeWitt Clinton, Horace Greeley (politician and editor of the New York Daily Tribune), Charles Dana, and Clinton Roosevelt (the ancestor of Franklin D. Roosevelt). Roosevelt wrote a book called Science of Government Founded on Natural Law, in which he wrote: "There is no God of justice to order things aright on earth, if there be a God, he is a malicious and revengeful being, who created us

for misery." He referred to himself and other members as the "enlightened ones," and said that the U.S. Constitution was a "leaky vessel" which was "hastily put together when we left the British flag," and therefore needed revision.

In 1786, a lodge was started in Portsmouth, Virginia, where allegedly, Thomas Jefferson was a member; followed by fourteen others in different cities of the thirteen colonies.

In April 1793 France sent new ambassador Edmond Genet to America so he could collect payment for the American debt incurred during the American Revolution. The money was to be used to finance France's war with England. However, his real reason for being here was to gain political favor for France and spread Illuminism, which he did through the establishment of 'Democratic Clubs.'

Washington said of "the clubs" that they "...would shake the government to its foundations."

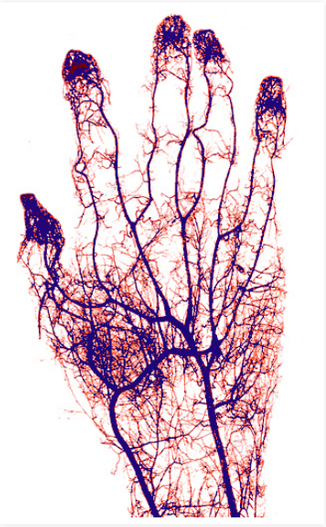
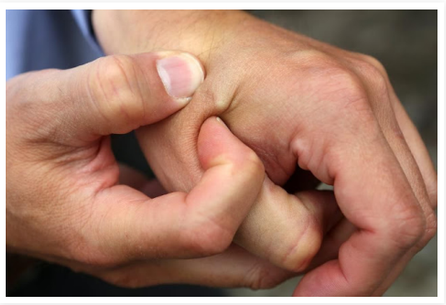
## Global Control Through RFID Chips Or With Biometrics



Biometric Hand/Vein Recognition

There is a possible global economic crisis coming that will lead to a financial "melt down" that the elite could use in order to establish a Global Financial Economic System. This would give centralized power to the United Nation's International Monetary Fund and the World Bank, creating a type of "Global Federal Reserve System".



An Inserted RFID Tracking Chip

This is setting the stage for a cashless electronic currency with the use of a high tech surveillance RFID (Radio Frequency Identification) chip to be implanted under one's skin or with biometrics.

The Global Elite, blinded by their thirst for power, orchestrate obtaining total control over the people in the excuse of providing for more transparency; a greater surveillance of the world financial markets, cross border firms, money laundering, terrorist financing, etc...

They believe that they are the only ones capable of governing mankind properly. However, these globalists know very well that people will not easily give up their freedom of the use of cash to accept these "bio-chips" or a biometric system unless there is a worldwide panic, be it financial or maybe even a flu pandemic, etc. to convince the population that the only way not to lose everything is to accept the use of a RFID chip or biometric system.

## Panoptic Surveillance See-Thru 3D System

A Panoptic Video Surveillance See-Thru 3D System could be loosely described as a formalised, scalable implementation of X-ray vision. The system enables one or more surveillance agents, using a single high resolution, auto-stereoscopic display, to remotely monitor the security situation of an arbitrarily large number of locations at-a-glance.

The system would allow a single agent to monitor thousands of places at the same time without overwhelming them with the massive amount of information being processed and displayed. It enables this by using artificial intelligence to determine what's important to look at.

The surveillance agent's mental load is radically optimized towards monitoring only what is most critical to security: presence and movement of (groups of) people and vehicles inside a campus/site and its buildings as well as any security-sensitive events (such as fires, smoke, badge access, assemblies, gun-shots, people running etc).

Agents can see, hear and transport their focused viewpoint through walls, floors and ceilings, zooming into a specific location to monitor it at a level so acute that it seems beyond the levels of even science fiction.

Designed to enable both wholistic site-wide and granular-level security, the system is ideal for monitoring airports, shipping ports, transit sites and other ports-of-entry, hotels, casinos, shopping malls, campuses, military bases, large buildings and building complexes, offering total situational awareness at a glance.

## Surveillance Cameras With Computer Chips That Sense Criminal Activities, Alerts Police

( Right Top - A police officer closely monitors security camera images related to an ongoing crime. Bottom - Information on crime suspects is collected.)

With DigiSensory Technologies' sophisticated cameras and sensor systems, law enforcement agencies and transportation departments across the United States are now able to proactively monitor and respond to crimes or accidents as they unfold; the company's Avista sensors process the images that its 3.2 megapixel high-resolution camera records in real time and can automatically detect when a crime is occurring; when it senses something it will alert law enforcement officials instantly; the sensors can also assist transportation departments in analyzing traffic patterns in real time; the system could allow officials to change one way streets, design real time traffic signals, and multiple speed limits to make traffic flow more smoothly.

The East Orange New Jersey police department was the first U.S. agency to install DigiSensory's Avista

Smart Imaging Sensor system as part of its broader network of security cameras around the city.

The Avista sensors process the images that its 3.2 megapixel high-resolution camera records in real time and can automatically detect when a crime is occurring. When it senses something it will alert law enforcement officials instantly.

Government agencies and business around the world have already taken notice of DigiSensory Avista predictive sensors.

The 'New World Order'

Soon this world will be divided into 10 major geographical regions and nerve centers. The Illuminists know that all of the governments around the world are destined to collapse soon. They know this because these are planned economic collapses. With the total collapse of the global economy a world wide take over will be enforced thereby creating a Totalitarian Police State.

Globalization

After the Berlin Wall fell in 1989, we began hearing new terms like World Community and International Community. David Rockefeller said that a global crisis would have to occur before the world would be willing to accept a New World Order. When the world’s economy began a dramatic downward plunge in 2008, world leaders again proclaimed the need for a New World Order with global economic structures.

The word “globalization” means exactly what it says. It is the process of transitioning the world into a global government. When we hear about international law, it is referring to the laws of the international government. When we hear about the World Court, it is referring to the court system that has been created to enforce the laws of the world governmental system. The World Bank, the World Trade Organization, the World Health Organization—all of these powerful world institutions are exactly what they say they are. They are all components of the one-world government, the world government prophesied for the endtime 2,000 years ago.

The Herd Mentality

It's Time For The Sheeple To Open Their Eyes To See The Truth. The Elite Are Going To Bring Us

**All Under The Control Of A Single Global Fascist State.**

**Here it is for everyone to see all summed up.**

**The goal of the Illuminati is to set up an Orwellian Police State, with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system and then they'll bring in their "New World Order". What they want is perpetual war, intrusive government surveillance, and all individuals subordinated to the state. This is their main agenda, "Order Out Of Chaos" to gain control by fear introduced into the hearts of all people.**

**The Illuminati Agenda - Billions of sheeple under the control of the elite. Their actions are not unlike those of wild animals culling on the weak, sick, and old prey. The elite feel that predators are a necessary and beneficial part of natural systems. They are very much convinced of the fact that if we remove them from the picture, there will be consequences. What is happening and has been happening in this world is mind-blowing, but perhaps the most astounding thing is the herd mentality that most of us so blindly follow. Think of this - the ones who control the psyches and collective thinking of the people control the governments. Have we handed over our rights and freedoms to the elite so that the elite can enslave us? And why have we been so dumbed down?**

**We are not free because there are people who have real power over us, the Illuminati, and they exercise great power over the world. The choice that we all have to make is, do we just go along with the crowd or break free of the established norms. Do we just want to exist and live with the status quo and continue to be asleep or do we want to become free of the future that they have for us.**

**The prophesied one-world government will be formed on this earth very soon. The Bible prophesies that the Antichrist will ultimately reign over a global NWO world government just prior to the Second Coming of Christ.**

**In the Book of Revelation, the prophet John revealed that the AntiChrist and his ten-nation confederacy will rule the world during the last 3 1/2 years of the coming Tribulation Period.**

**Satanically Empowered Control**

**Control of the coming endtime government will be consolidated into the totalitarian hands of the Antichrist. The dragon, which is the devil, gives this world governmental system its seat, power, and great authority (Revelation 13:2). We will all feel the oppression of this world government structure because it is satanically inspired, and it is forming right now.**

**Revelation 13:7 states that power will be given to the Antichrist over “all kindreds, and tongues, and nations.” Verse 3 says, “And all the world wondered after the beast.” Daniel 7:23 tells of a world governmental system ruled by the Antichrist, “The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.” The prophecy then states that this world government will rule the world until the Second Coming of Christ.**
